PROFESSIONAL EXPERIENCE

Mike Sullivan is the Senior Coach Mentor of Warner Results Coaching (WRC). WRC operates primarily in the UK but conducts assignments all over the world.

Mike's management career spans more than 20 years in the U.K, and Europe and he has worked with senior executives in both public and private sector companies.

In addition to executive coaching and consulting, Mike has been a senior manager with ICI and Atos Origin, as well as working in smaller entrepreneurial organizations. With a long career in Sales & Marketing, Mike is able to bring a strong commercial understanding to the Coaching/Training role.

Mike's background includes; teaching, training, process design, systems design and management, HR, International Sales & Marketing and Consultancy. With this 20+ year knowledge base he is able to very rapidly absorb the specific issues and challenges within an organization and design highly effective interventions.
